RUSSIA AND UKRAINE NEGOTIATE FOR PEACE

Germany and Poland Engage in Parley—Lithuania Seeks Recognition.

Amsterdam, Wednesday, March 13.—The opening of peace negotiations at Kiev, between Russia and Ukraine, is reported in a Vienna dispatch to the Vossische Zeitung, of Berlin.

The Ukrainian rada, the dispatch says, will meet soon to ratify the peace treaty with the central powers.

The government set up in Ukraine after its declaration of independence from Russia was opposed as bourgeois, by the bolsheviks, who went on to support a bolshevik movement in Ukraine. A number of battles were fought and Kiev was captured by the bolsheviks. The terms imposed by the central powers in the peace treaty with Russia and the advance of Teutonic troops into Ukraine, however, compelled the bolsheviks to give up their campaign.

Seek Reconciliation.

Amsterdam, Thursday, March 14.—Active negotiations are in progress for a reconciliation between Germany and Poland and a new solution of the Polish situation, will be announced shortly, according to the Kurjer Polski, of Warsaw.

Replies to Lithuania.

Amsterdam, March 15.—Germany has replied to Lithuania's repeated requests for recognition of her independence by making her recognition dependent upon Lithuanian agreement to certain military, customs, railway and currency conventions, according to the Vorwaerts, of Berlin. These conditions, Lithuania, in the hope of bringing about an alleviation of her condition, is ready to accept.

Worwaerts says such procedure is in no wise reconcilable with the declaration made by Imperial Chancellor Von Hertling last Nov. 23.

MOSCOW AGAIN SEAT OF RUSSIAN GOVERNMENT

Moscow, Tuesday, March 12.—Moscow has again become the official capital of Russia. It was Peter the Great who moved the seat of government from Moscow to Petrograd, his name city, which he founded, and after 200 years the government has been transferred by its present head, Nikolai Lenine, back to the historic capital in the heart of Russia.

RUSSIAN CREW MEMBERS NOT BONA FIDE SEAMEN

Norfolk, Va., March 15.—Forty-three members of the crew of the Russian steamer Omsk, in port here, today faced charges of violating the espionage act as the result of their efforts Wednesday night to seize the steamer. Warrants for the men were sworn out last night after documents found aboard the vessel indicated, government agents said, that certain members of the crew were "not bona fide seamen, but rather highly intellectual parties to a political plot which finally planned to divert the Omsk's cargo to Russia." The ship's cargo of cotton is consigned to Liverpool.

FRANK LOONEY KILLED BY BOILER EXPLOSION

Nashville, March 15.—The boiler of a pusher engine, assisting a south-bound N. C. & St. L. freight over the mountain, near Cowan, this morning, blew up. Fireman Frank Looney was killed and Engineer Jordan injured. Two helpers on the engine, also the conductor, and a brakeman on the freight were slightly injured.

ASK BURLESON TO TELL OF MAIL SERVICE ABROAD

Washington, March 15.—Postmaster-General Burleson was requested in a resolution adopted by the house today to furnish congress with information as to the delivery of mail to soldiers in France. Many members of congress have received complaints that the soldiers' mail has been delayed and the subject has been discussed in the house from time to time.

UNMASKED MEN LOOT BANK NEAR FORT SMITH

Fort Smith, Ark., March 15.—Two men, neither of whom was masked, entered the Bank of Winslow, forty miles north of this city, today, and robbed the safe of between \$2,000 and \$2,500, while holding the cashier and his son under cover of their pistols. The men escaped on horseback.

SENATE PASSES BILL AMENDING BANK LAWS

Washington, March 15.—The senate today passed a bill by Senator Owen, of Oklahoma, amending the national bank laws to permit banks to lend money on notes secured by liberty bonds or treasury certificates, issued during the war. Loans would be limited to 50 per cent. of a bank's capital and surplus. The bill goes to the house.

AIR RAID ON COBLENZ CAUSED MUCH DAMAGE

London, March 15.—Monday's air raid on Coblenz caused very heavy damage in that city, according to German reports, says the Exchange Telegraph correspondent at Amsterdam. Two munition factories were reported burning, he stated, and vast quantities of explosives were continually going off, rendering the efforts of the firemen to extinguish the flames unavailing.

On the other hand Reuters' Amsterdam correspondent quotes the Cologne Gazette as saying that the hostile air-men who attacked the town of Coblenz at noon on Monday dropped about ten bombs which caused only slight material damage, none of which was military. Two women were killed and twenty persons injured, the newspaper stated.

TO RECEIVE BACK PAY

Mobile, Ala., March 15.—Shipyard operators announced today that the shipyard workers in this district will receive all back pay in the matter of increased wages dating back from Jan. 15, according to one of the operators speaking for all the companies today.

The back money will be paid as soon as the ruling of the shipping board is understood.

Lord Cecil Denies Rumor of Enemy Offer

London, March 15.—Replying to an inquiry as to whether there was any truth in the rumors that proposals had been received from Germany for a peace at the expense of Russia, Lord Cecil, the minister of blockade, said in the house of commons today: "As far as I know no such proposals are being considered or will be considered."

Holland Ship Affair Causes Rage in Germany

London, March 15.—The notice served on Holland by Great Britain and the United States regarding the taking over of Dutch ships in allied ports has thrown the German press into a towering rage, the Copenhagen correspondent of the Exchange Telegraph company cables. The newspapers demand that Germany take the most drastic counter measures if Holland gives way to the allies.

French Assertion as to Effect of Raid Denied

Amsterdam, Wednesday, March 13.—The French assertion that works were hit and fires caused in an air raid upon Mainz last Saturday has been denied in the Hessian parliament by Herr Adlung, a socialist member, according to a Darmstadt dispatch to the Frankfurter Zeitung. The member stated, however, that ten persons had been killed, and material damage done in the city by raiders.

What Is Rheumatism? Why Suffer from It?

Sufferers Should Realize That
It Is a Blood Infection and
Can Be Permanently
Relieved.

Rheumatism means that the blood has become saturated with uric acid poison.

It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to

get rid of your rheumatism. You must go deeper than that, down deep into the blood where the poison lurks and which is not affected by salves and ointments. It is important that you rid yourself of this terrible disease before it goes too far. S. S. S. is the blood purifier that has stood the test of time, having been in constant use for more than fifty years. It will do for you what it has done for thousands of others, drive the rheumatic poisons out of your blood, making it pure and strong and enabling it to make you well. S. S. S. is guaranteed purely vegetable, it will do the work and not harm the most delicate stomach.
